Try Listen FM System (72 MHz)

Configurations

LS-01-072-01
LS-01-072-02
LS-01-072-03

A great starter system for public venues to meet Americans with Disabilities Act (ADA) guidelines. The Try Listen System starts off with basic components such as a telescoping antenna and LR-300 Digital Receivers with ear buds. Or you can add any accessories to better meet your needs, such as a rack mounting kit or adding receivers. Use this system for auditory assistance, in ear-cueing, press feeds and other applications. Great for houses of worship, schools, and the stage. (Available only in 72 MHz.)

Highlights

- Great starter system for auditory needs in public venues, houses of worship and schools.
- Superior audio (80 dB SNR).
- Available only in 72 MHz.
- Limited Lifetime-Warranty - hassle free support.
