

LS-03-150 Performance FM System (150 MHz)

Configurations

LS-03-150

The Performance System has everything you need for an easy system to specify, install and operate. The 150 MHz frequency has been specified for use in Australia. This installed system includes a Stationary Transmitter and Remote Antenna Kit, Rack Mounting Kit, LR-400 Receivers with Ear Speakers, Alkaline Batteries and Assistive Listening Notification Signage Kit. Use this system for auditory assistance, audio/video recording feed and press feeds. Great for schools, houses of worship, stadiums, and courtrooms.

Highlights

- Great system for a variety of applications such as schools, houses of worship, stadiums, and courtrooms.
- Superior audio quality – 80 dB with signal-to-noise ratio (SNR), setting the industry's sound quality standard.
- With a choice between 32 channels, Listen products are ideal for a wide range of applications.
- 100 % Digital – Listen receivers are digitally-tuned so the transmission won't drift.
- Limited Lifetime Warranty with hassle-free support.
- Long transmission range ensures coverage for the entire venue.
