

LS-05-150 Personal FM System (150 MHz)

Configurations

LS-05-150

Designed for an individual user, the LS-05 Personal Listen System is great for a personal system to take to school, a house of worship, training facility, etc. This system includes a portable transmitter with microphone, an LR-400 Display Receiver with Ear Speaker, carrying case and batteries. Or you can substitute any accessories to better meet your needs, such as using a hand held microphone or upgrading to rechargeable batteries. Use this for auditory assistance, language interpretation, and remote monitoring. Great for home, school, houses of worship, shopping centers, theaters.

Highlights

- Designed for an individual user to take to school, theater, a house of worship, training facility, etc.
- Superior audio quality – 80 dB with signal-to-noise ratio (SNR), setting the industry's sound quality standard.
- With a choice between 32 channels, Listen products are ideal for a wide range of applications.
- Look & Listen™ LCD shows channel, battery status, and programming information.
- 100 % Digital – Listen receivers are digitally-tuned so the transmission won't drift.
- Uses standard alkaline or NiMH batteries.
- Limited Lifetime Warranty with hassle-free support.
