

CDS 4000 10-Person Discussion System

Part Number: LS-70

The LS-70 is a portable conference system for nine (9) delegates and one (1) chairman is ideal for city councils, school boards or boardrooms. The LS-70 system operates in push-to-talk mode and is fully functional without any additional parts. Its simple design allows it to be set up in a matter of minutes and does not require an operator.

Includes:

1 CU 4005
9 DM 4410 P
1 CM 4410 P
1 EC 4000-10

- Illuminated red ring for easy speaker identification, clearly visible even in broadcast lighting.
- Push-to-talk operation introduces structure to the meeting.
- "Daisy Chain" loop-through cabling.
- Different operating modes with request-to-speak queuing.
- Chairman unit with priority override.

CDS 4000 100-Person Discussion System

Part Number: LS-71

The LS-71 is a portable conference system for 98 delegates and two (2) chairmen. This system operates in push-to-talk mode and is by far the easiest and most cost-effective way to place one hundred microphones in one room. It is ideal for corporate training centers, rental companies and break-out or committee rooms. The LS-71 system is fully functional without any additional parts and can be set up in a matter of minutes. It can be operated stand-alone or by PC with an operator.

Includes:

1 CU 4010
98 DM 4410 P
2 CM 4410 P
2 EC 4000-10
1 RS 4232
1 SW 4210
1 SW 4220

- Illuminated red ring for easy speaker identification, clearly visible even in broadcast lighting.
- Push-to-talk operation introduces structure to the meeting.
