

# IH 6000

## DCS 6000 Interpreter Headset

### Configuration

IH 6000

The IH 6000 is a comfortable, sturdy, light-weight professional headset especially designed for the DIS interpreter set. The headset features high quality transducers for excellent intelligibility and speech reproduction and a revolutionary shock-mounted close talking dynamic microphone for noise-free speech pickup. The optional soft ear pads are easily replaceable.

### Highlights

- Light-weight and sturdy.
- Shock-mounted close talking dynamic microphone for noise-free speech pickup.
- Optimized for speech intelligibility.
