

# LA-304 ADA Compliance Signage Kit

## Configuration

LA-304

An important part of the American's with Disabilities Act compliance policy is signage to identify the availability of auditory assistance equipment. Listen provides a simple kit to meet these needs. Additionally sample advertisements (for printed programs, etc.) as well as ADA guidelines are available on our web site at [www.ListenTech.com](http://www.ListenTech.com).

## Used With

All your assistive listening equipment.

## Includes

Acrylic Sign - 6.5 x 8.5 in. (16.5 x 21.6 cm)  
Static cling window sticker - 6 x 8 in. (15.2 x 20.3 cm)
